
How to earn college credit while in High School!

TMS Scholarship Group Presentation
Series

All the different options

- Concurrent Enrollment
- Distance Learning
- Advanced Placement
- UCAS – Utah Academy of Sciences
- BYU Independent Study
- Other, see your counselor

UVU Concurrent Enrollment

- A UVU High School Partnership Program, see <http://www.uvu.edu/concurrent/>
- Qualified students earn tuition free credit.
- Students enrolled in certain high school courses may be concurrently enrolled in a “companion” course at UVU.
- High school students can also participate in Concurrent Enrollment Live Interactive. These courses are taught by a UVU Professor and broadcast in real-time to a high school classroom.
- Some classes have a grade level requirement. It is recommended that students have a 2.0 GPA for CTE Courses and a 3.0 GPA to for academic courses.
- A college transcript is generated (if a student drops a course at the high school, they must also drop it at the college). A UW grade in college is an “F”.
- Courses award 2-5 college credits for a year long class.
- Students must submit their college transcript when applying for college and for most college scholarships.

Let's look at an example course...

- Class Name – German 4 @ LPHS
- Grade – One letter grade assigned at end of course
 - 4 terms may be averaged
 - college assignments may be averaged
 - teacher (after training through UVU) determines own criteria.
- UVU Course Name, Credit & UVU Number
 - Beginning German II LH – 4.0 credits,
UVU # - German 1020 H84

UVU Concurrent Enrollment

~Distance Learning~

- <http://www.uvu.edu/de/>
- Brings a UVU instructor to you electronically, allowing you to take classes not taught at the high school.
- Held on the high school campus
- Is cost-effective
- Recommended that students have a 3.0 GPA as the courses are very rigorous
- Some classes require a prerequisite.
- Get a jumpstart on college!
- To see current classes, go to https://uvaps.uvu.edu/prod/bwckgens.p_proc_term_date

Current DL Course Listing @ LP

- Classes change each semester.
- Meet with high school UVU advisor @ Lone Peak High School re: CE classes.
- Sophomores must submit a UVU CE “Sophomore by Exception” Permission Form.
- Students are responsible for their own books.
- Some courses require pre-requisites.

Advanced Placement (AP) classes

- The program enables students to pursue college-level studies while still in high school. Thirty-four courses in 19 subject areas are offered. Based on their performance on rigorous AP Exams, students can earn credit, advanced placement, or both, for college.
- The AP program is intended for any student who wishes to work on a collegiate level in high school. The school makes the final decision whether it will enroll anyone who wants a challenge or limit classes to just a few highly capable scholars

AP courses

■ AP Courses

Of the 34 AP Exams, the five taken by the greatest number of students were:

- U.S. History (262,906), Utah (3,521)
- English Lit. & Comp. (239,493), Utah (3,031)
- English Lang. & Comp. (198,514), Utah (1,548)
- Calculus AB (175,094), Utah (2,050)
- U.S. Gov't. & Politics (112,894), Utah (702)

Top 10 Utah Public HS for AP Participation in 2009

■ Davis	672
■ Alta	612
■ Lone Peak	522
■ Park City	501
■ Skyline	500
■ Brighton	424
■ Hillcrest	413
■ Riverton	392
■ Woods Cross	352
■ Viewmont	350

Top 10 Utah Public HS for AP Passing Rate

School	% Passing
■ Delta	88
■ Juab	86.4
■ Davis *	84.6
■ Mountain View	83.9
■ Bountiful	83.3
■ Itineris Early College HS	80
■ Park City	78.4
■ Timpview	77.3
■ Skyline *	77.2
■ Viewmont *	75.9

AP Testing in Utah

- 30.6% of high school students took at least one AP exam in 2008. This compares to 24.% for the nation.
- States with the highest percentage of graduating seniors to pass AP exams were:
 - New York 22.7 %
 - Maryland 22.0 %
 - Utah 20.8 %
 - Virginia 20.7 %
 - California 20.1 %

AP Testing

- AP exams cost \$89.00 (2013) to take.
- AP exams are given every May. A student earning a passing grade may be given up to 8 semester hours (12 quarter credits) of college credit.
- The AP grade scale ranges from 5 to 1, 5-3 being considered as passing.
- New York is the first state in the nation to see more than 20 percent of its graduating class achieve a grade of 3 or higher on an AP Exam. Maryland, *Utah*, Florida, California, and Massachusetts are close to this level of achievement, each with between 18 and 20 percent of students earning a score of 3 or higher on an AP Exam.
- Visit the AP website @ www.collegeboard.com

Utah County Academy of Science

- **UCAS is an early college public high school**
- **Classes are designed with an emphasis in mathematics, engineering, and both physical and life sciences.**
- **Students have the opportunity to earn an associates degree while they earn their high school diploma.**
- **UCAS is designed to provide an accelerated high school/early college experience for motivated students at little or no charge.**

BYU Independent Study

- A distant education program offering over 600 University, high school and personal enrichment courses. For FAQ <http://is.byu.edu/site/about/FAQ.cfm>
- High school students can take courses to count as dual credit at their high school and prospective college. Credit is transferable to most educational institutions in the nation.
- Courses can be taken through a paper/pencil version or online.
- University courses are \$163-259 (2013) per credit. Courses must be completed within one calendar year.
