

American Fork Jr. High School Community Council

Meeting Minutes

October 7, 2016

(7:00 am – AFJH Conference Room)

1. Welcome – Lisa Birkeland

Attending Lisa Birkeland, Melissa Osborne, Grant Cotterell, Mr. Anderson, Jeff Schoonover, David Stephenson, Kim Conant, Lisa Preece, Kaesy Barker, Kara Sherman, Amber Rawlings, Kirk Johnson

2. Approve Minutes from September Community Council Meeting

Motion by Lisa Preece, 2nd by Kaesy - vote unanimous to approve

3. Items from Public

None

4. Review and approve Bylaws – Grant Cotterell

This will need to happen in the spring - though bylaws are available in our binders for us to review. All emails and phone contact information for SCC members will be given by Grant to Trustlands and we'll be contacted electronically in the spring to verify that bylaws were known, followed, and that we each participated in meetings.

5. SAGE Update – Jeff Schoonover

Discussed outcomes for AFJH - Math and Science have both improved 3 and 5% (exceeded their improvement goals), Language Arts actually dropped in scores. SCC encourages Language Arts Dept to find programs or tools we can help fund to improve our language arts score. ~60 AFJH students opted out of taking the SAGE. Overall grade for AFJH was a B.

6. Counseling Update-LeeAnn Elzey

7. Bond Information – David Stephenson

David presented about the Bond that is up for this coming Nov election. Discussed the difference between capital funding and BOND funding. We were encouraged to search alpineschools.org/bond2016 for more videos and information, then to share what we learn with neighbors and such around us. No property tax increase should result from the Bond.

8. Administrative Items

Watched a video on the new Respect, Honor, Pride campaign students have created to increase the pride in our school - manifest in how we perform, treat others, and treat our facilities.
