

Chromebook Checkouts

Parents will be able to check out a Chromebook for their AFJH student for online learning. If you have technology at home, students are encouraged to use those devices. To encourage small groups, please follow schedule below if possible. Checkouts will be done alphabetically by last name. **Parents must be present to check out a Chromebook. If a parent is not available to come in person, please contact Mr. Paul at 801-610-8750 or thpaul@alpinedistrict.org**

Checkout Process

1. Read the ASD Agreement for Use of Instructional Tech Property (bit.ly/ASDtech). This is for your information. You DO NOT need to print this out or sign. You will acknowledge that you are aware of this policy during the checkout process.
2. Come to the school during your designated time – see schedule below. Please enter through the front of the school and go to the media center.
3. You will need your student's email account and student number. (We can help you with these at the school if you do not have these)
4. Complete the form with your information, acknowledge the Alpine District Agreement for Use of Instructional Tech Property and receive a Chromebook with charging cord.
