

Dear Parents, Faculty, and Staff:

AFJH Information - March 16, 2020

Hello Parents and students. We are happy that we can continue with education despite all of the changes that are happening. Our teachers are working hard to provide online learning opportunities for all of our students. We are committed to helping students through this process. Please contact teachers directly or call the school if you have questions or concerns.

Here is the most recent information for students at AFJH. We will continue to update our school website with information. For the latest district wide information, please go to our District website alpineschools.org

Online Learning

All AFJH teachers will facilitate online learning through Canvas. Starting Wednesday, March 18, please have your student check Canvas and their school email daily. Anticipate 2-3 hours of online learning per day, total. Teachers will be available through email and Canvas.

Chromebook Checkouts

Parents will be able to check out a device for their student. If your AFJH student is in need of a device for online learning, chromebooks will be available for checkout. If you have technology at home students are encouraged to use those devices. To encourage small groups, please follow this schedule if possible. Checkouts will be done alphabetically by last name. **Parents must be present to check out a Chromebook.**
