

Getting Started with Sora

With Sora, you can get free ebooks and audiobooks from our school library!

- Install the **Sora app** from the Apple App Store or Google Play Store, or go to soraapp.com.
- In Sora, **enter our setup code, AlpineUT** then choose our school from the drop down menu and sign in with your student number and use your last name as your password.
- Browse the **Explore** tab and borrow a book. Your book will open so you can start reading right away.
- Close the book and go to your **Shelf** to see all your books.
- From there, you can:
 - Tap **Open Book** or **Open Audiobook** to read or listen to the book.
 - You can also send your book to your Kindle, if you have an ereader.
 - Tap **Options** to renew or return the book, get to your notes and highlights, and more.
 - Remember, when you're in a book you can set the background/font to make it easier to read!
- You'll never get a fine—your book automatically gets returned when it's due.
- If you find yourself in a long wait list for a book, or would like to suggest a book we don't have, please let us know! We can purchase books just for our school and you could be reading them immediately!
