

Alpine School District

HEALTH AND WELL-BEING

SAFE | CONNECTED | CONFIDENT

Dear Parents/Guardians,

Alpine School District, in partnership with Terrace Metrics, is excited to provide a valuable service to students and families that assesses the social/emotional strengths and needs of students. The indicators assessed by Terrace Metrics are known to contribute to positive school and learning experiences.

- **Assessment tool takes an average of 15-20 minutes to complete.**
- **Customized student report will be generated for each student.**
- **Customized parent report with links to videos and other resources will be provided for parents.**
- **Students' responses are confidential and secure.**
- **Service providers will be available at screening events to go over results of the assessment with student and parents.**

Additional information, along with brief information video can be found at:
