Administration Message

Dear Parents,

As we head into May we want to take a moment to thank all of our families for the support you have given this year. We are so fortunate to have so many supportive parents and community members and have thoroughly enjoyed interacting with you this school year.

The year's end always brings with it a tremendous sense of accomplishment. Of course, we should not forget the tremendous amount of learning which has taken place during the year. We appreciate your students and the hard work they put in here at school. We hope that your children have enjoyed their year and are excited to come back next year or move on to high school.

As always, many thanks for your continued support of CVJH! Together, we have the opportunity to positively impact kids and our future!

On behalf of the faculty and staff, I would like to take this opportunity to wish you all a safe and happy summer.

Nathan Bushman, Assistant Principal

STUDENT COUNCIL

Welcome back from Spring Break. We hope everyone was safe and had a good week off (April 4-8).

Diversity week was April 18-22 and we enjoyed many activities, presentations, and music. Thank you for your participation. We hope you learned more about different cultures that surround us and had a good experience.

Coming up is Teacher Appreciation Week next month from May 2-5th. Look for more information being announced soon.

Another very important event is approaching: The Student Council vs. Yearbook kickball game! Student Council has been preparing through vigorous physical and mental training. Through all the work, it will be worth it. Get ready to lose Yearbook!

LATINOS IN ACTION

This year's Latinos in Action class has been a combination of excellent 8th and 9th graders who have worked together remarkably well and have set a good example for their peers at CVJH of leadership, citizenship, academic perseverance and character. Members of the class are: Maria Naranjo (President), Melissa Zavala (Historian), Jimena Lopez (Secretary), Manuel Vega (VP Service), Lorely Olguin (VP Professionalism), Arturo Benitez (VP Social), Jose Aguayo, Ana Ahumada, Eva Aquino, Lizbeth Arias, Thomas Astudillo, Brandon Estrada, Jose Jesus Estrada, Taiaopo Feauai, Brian Gonzalez, Judy Hernandez, Javier Lopez, Daniel Mata, Angel Medina, Rosa Ochoa, Valerie Rubio, Gabriel Segedi, Samantha Valdes, Chris Valenciano, and Zuleyma Valentin.

All students in this service learning class have been tutoring individual students twice a week at Orchard Elementary School, specifically in reading, but also in other subjects as directed by their teacher. Additionally, students are doing a minimum of 10 hours of service outside of school each term. By the end of this year, most students will have provided more than 100 individual hours of service in this community doing such things as helping at the Orem Literacy Center and the Post-Acute Care Center.

For them, one of the highlights of this year was their planning and executing of the school's Diversity Week during which the LIAs--with the help of the Student Council--highlighted the culture of many different minority groups within our school by providing games and information about the cultures during both lunches. Another highlight was their learning of three cultural dances from Mexico and performing them on stage at Alpine District's first annual LIA ASD Latin American Orem Festival.

They recently attended the all-day Latinos in Action Leadership Conference at UVU. To close out the year, students are planning a banquet to thank their parents and teachers for their support throughout these junior high years, and to celebrate their accomplishments. It has been a wonderful year. Thank you to all parents, teachers and staff who have supported us!

Please send any and all children's books in good condition to Canyon View, care of FCCLA.

We are also collecting flannel to make receiving blankets for the Welcome Baby program at the United Way. These blankets, part of a "New Mother/Baby" welcome kit are given to new mothers throughout the county who are in need.

COUNSELING OFFICE

We are excited to announce the 3rd annual CVJH College Tour Tuesday, May 24th. All 9th grade students and some 8th graders will have the opportunity to select a college campus to tour. We will have buses taking students to BYU, MATC, Snow College, UVU, and U of Utah between 9 am and 2 pm. There is no cost to students for this trip and we encourage all students to attend and start thinking now about college. Look for permission slips to come out in early May. We are in need of 10 to 15 parent volunteers to make this trip happen. If you are willing to help, please call the counseling office at (801) 610-8132.
